

GREATER ROCHESTER TRIUMPH TOURING CLUB

TRIUMPHANTLY YOURS **APRIL 2011**

So, my TR3A and my Healey 3000 are back in the garage! The TR is pretty much ready for the season while the Healey is waiting patiently. Now, if it stops raining...! I'm sure we're all in the same boat (Ark?).

Our April 13th general meeting was very successful. It was well attended, a good time was had by all, and we shared lots of information, especially relating to this season's events and progress toward UK Car Day on August 21.

UK Car Day planning is moving along well. Each major task (e.g. show field, judging, registration, publicity, etc.) has a coordinator and we are meeting as a group as needed. The car show has evolved into an exciting event that has something for everyone from the Concours Judging Class to the live music during the afternoon. We hope all of you will be able to attend with your cars and also that you will be able to help out on the day of show. We already have a number of members committed to working that day but could always use more. Please send me an email if you'd like to help (nedpaulsen@aol.com). Also, UK Car Day is our only club fund raising event. This past show we netted \$1400. Most of the proceeds go to a variety of local charities and the remainder subsidizes club events.

EVENTS:

George Haynes has a very exciting season of GRTTC events planned. Again, something for everyone. George shared the events list at our meeting on the 13th and here it is for those who couldn't attend.
