

Wire Wheel Specialist - Nick Leykin

-Tire Mounting

-Balancing

-Bring tires you'd like mounted, or I can source tires and tubes for you

Automotive tire mounting and balancing service, specializing in wire wheels.

Centerlocking wheels need specialty equipment that is becoming harder and harder to find, fortunately I have the proper equipment to keep your gorgeous wheels on the road. I am happy to carry on the service from George Haines, using equipment has been in Rochester area British car clubs for generations now! Call or email for rates.
